A HIDDEN TREASURE

Wow, a massive half an acre approximately and in one of the best locations available with an excellent commute to Melbourne CBD via rail or road. This is what dreams are made of, five large bedrooms, parents retreat, well-appointed kitchen, three generous living areas and an absolutely beautiful outlook. The outdoor entertaining area boasts a family spa and the delight of established trees. Inspect to appreciate. Call Gail on 0417 012 041 or 5781 1999.
