Prime location. Close to Everything and on a fantastic sized block.

This period Californian delight still has so much character and charm with original decorative cornices and high ceilings. 2 big bedrooms, the 3rd makes a perfect study. With new wiring throughout and power board, restumped and a new roof a few years ago makes this a very solid home. Lovely open kitchen meals area gives you space to create a gorgeous country kitchen. Updated appliances and gas hot water system.

Outside you will find a well maintained yard, secure fencing and a massive shed with power giving you heaps of workshop, space and storage. Even a great chook pen for a few hens and your own beautiful fresh eggs.
