## FORTHCOMING AUCTION - 24 ACRES APPROX., TOWN WATER, HORSE SHEDDING

Great location on the edge of Seymour, this small farm acreage property and weatherboard house has awesome potential. It is on town water. It has shedding for up to 12 horses, good fencing, two dams, horse wash facilities, other sundry sheds and a round training yard.

Great pasture with clover, rye and phalaris make sure your stock are getting the best available.

Set up for horses, but can be used for any farm animals - goats, cows or alpacas.

What an exciting opportunity this is.

For a personal inspection to appreciate what we have, please call Denisse on 0419154730.
