## IDYLIC HOMESTEAD AND HUGE SHED AMID LEAFY GARDENS

Tradies and tinkerers will love the HUGE SHED with high clearance, shower, toilet, laundry, workbenches and potbelly stove. A separate garage is beside the house with remote control door. Luxuries are all here - ducted vacuum, ducted heating and cooling. Well loved and meticulously cared for, this is a really lovely home offering a great lifestyle with privacy, convenience and comfort. Priced well to sell so call for private inspections - call Brett McDonald 0409586136.
