

## 26 AURINA DRIVE HIDDEN VALLEY, VIC

### SELL, SELL, SELL!

We have adjusted our price and now we are looking for an offer. We love our large block but we have changed our mind, it's over a third of an acre approximately inclusive with site cut, plans, plumbing ready for the slab, septic system, power and a retaining wall. Hidden Valley is a rapidly developing area with all services, gated community and such an easy commute to the CBD. Make us an offer so we can move forward. Phone Gail Kendrick at Wilson Partners Real Estate on 0417 012 041 or 5781 1999.
