TILT COTTAGE

Talk about a jewel in the crown, this gorgeous home offers the best lifestyle available. Three bedroom beauty with all the charm of yesteryear and the mod cons of today.

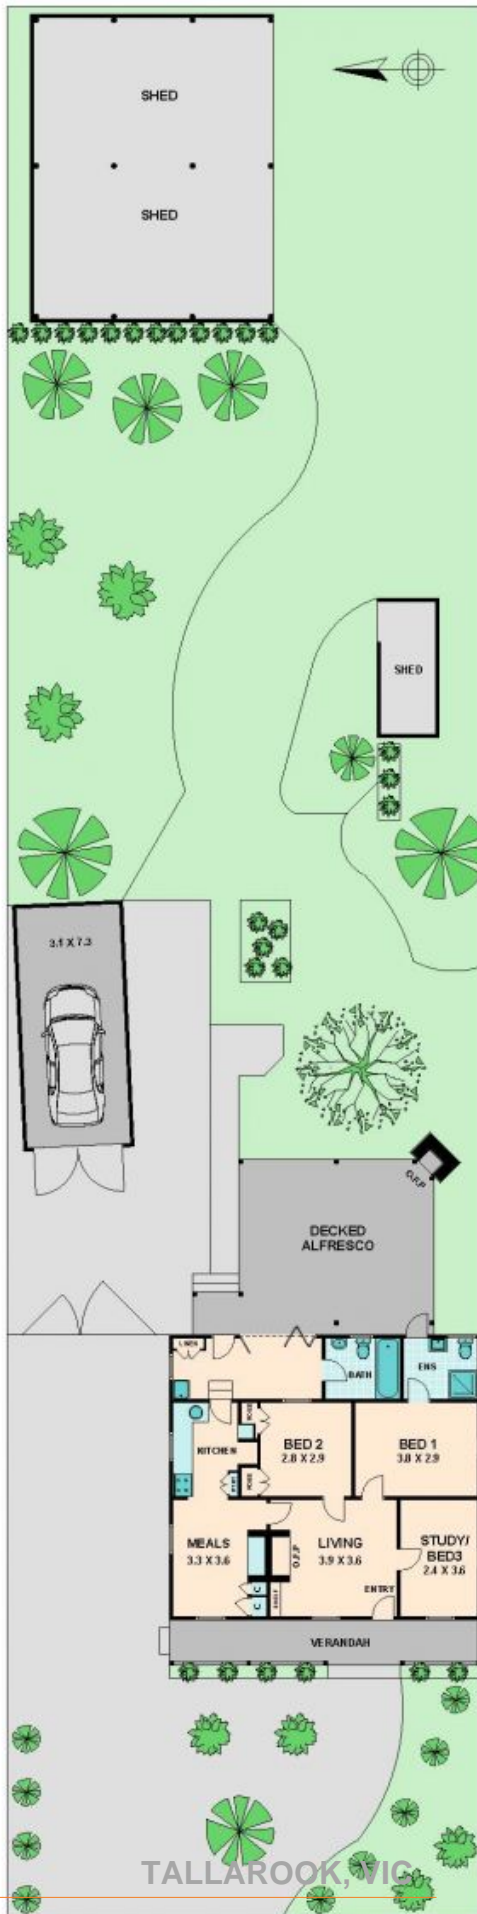

Walking distance to the local hotel, train station for commuting- leave the car at home- and general store for your everyday conveniences.

Fantastic primary school and easy access to the high schools in Broadford and Seymour.

Being so close to major centres is a bonus for shopping, take out and medical centres. This is one that you can move straight into. Sit on the decking, admire the expansive garden and soak up the love that has gone into this home.
