## YOUR COUNTRY ESTATE.... LIFESTYLE.... OPPORTUNITY

Rare opportunity to acquire five plus prime acres approximately between Wallan and Kilmore. Good pasture for horses or other livestock. Mature trees and shelter belts. Substantial shed with stable facilities plus carport/garage and self contained bungalow.

Solidly built double brick home comprising four bedrooms and study. Master with ensuite, open kitchen/living with log fire. Separate lounge with open fire, feature blue stone wall and timber floors. Verandahs to front and rear. A little renovation will see this become your country dream.
