CLASSIC COTTAGE

SOLD BY JULIA JONES AT WILSON PARTNERS (BROADFORD) Just a short stroll from Broadford's shops, this gorgeous cottage offers you modern comforts with all the charm of yesteryear.

Tastefully renovated, the 3 bedroom home boasts a new kitchen, new floorcoverings, new showers (there is an extra shower in the new laundry), fresh paintwork and curtains.

You will note the timber dado paneling and original timber doors, the impressive parquet flooring, the high ceilings and the low maintenance yard.

This could be a wonderful start for the young homebuyer or a handy spot for the retiree.

Or if you are looking for an investment property 42 Hamilton Street could tick all the boxes.
