Jubilee Celebration

Seymour is a well-established regional centre with excellent infrastructure and secure future development.

An opportunity to become a part of Seymour's bright future now presents itself with this appealing property.

The units are of neat and tidy appearance with gas heating and reverse cycle split systems, security doors, fly screens, sun awnings, separate carports and private fenced courtyards. A large block of approximately 1150 square metres allows ample space for carparking and common area and may have potential for further development (subject to Council approval).
