COMFORT AND SPACE

This gorgeous property will impress the astute buyer looking for a home with street appeal, low maintenance, tasteful renovations and loads of living and playing space.

Located on a large 1/4 acre plus block with rear laneway access, the 3 bedroom home immediately invites you to enjoy the charm of bygone days with the convenience of a modern environment.

High ceilings, picture rails, dado panelling are features.

Reverse cycle air conditioning units keep the home at a comfortable temperature all year. A double carport with secure workshed/storage shed, wide rear entertaining deck, gazebo and a well fenced backyard get a big tick.

Rainwater tanks will allow you to keep the vegetable patch productive and the established garden pretty as a picture.
