"New Life"

Are you ready for that lifestyle change you have been promising yourself? A tree change on 2.39ha with a spring fed creek and lovely new home ready for that personal touch! Choose the carpet for your home and drapes (in the living area), to suit you, and outside, wow, a blank canvas awaits, allow yourself to indulge your senses, let your imagination loose. This is where you will create your future, and with such easy access to the Hume Freeway, commuting to the CBD is a breeze, don't despair shops and schools are also handy, (school bus stops at front of property). This home will delight, town water, industrial 3 phase reverse cycle heating and cooling, rumpus room, large sunken lounge, entertainment area and windows to the north and south taking in those great views. The very stylish entrance with lovely chocolate tiles lead through to the large kitchen, complete with Technika appliances, 900mm wide oven, 6 burner cooktop, glass range hood, dishwasher and large pantry. There are also power points on the very practical wide island bench. Through to the powder room and the bedrooms, three have built in robes and the master is quite large with walk in robe, grand ensuite, spa, double shower and beautiful views. What a delight, a 4 car garage plus workshop, shower, toilet and 3 phase power (to both house and garage), what are
