REEDY CREEK

If you want character and charm, peace and quiet, this is it.

Set on a private block of approximately 1 acre, this is a mud-brick home with all the features you will appreciate - cathedral ceilings, exposed beams, stone verandahs, polished floorboards, large country kitchen, even an attic bedroom/study.

3 spacious bedrooms have ample cupboard space, the living and dining areas are welcoming and comfortable, particularly with the wood fire and the reverse cycle split system.

A huge paved and covered outdoor entertaining area and fernery is a perfect spot to relax and listen to the sounds of country life.

You can enjoy the sociability of the Reedy Creek community, or enjoy your solitude, at this address it's completely up to you!
