

15 Heritage Drive BROADFORD, VIC

## Family Value

I recommend that you arrange an inspection of this property as soon as possible if you are looking for a spacious family home with ample yard space for the kids, cars or pets.

Located in the highly-regarded Heritage Park Estate, the home is designed with ease of living in mind.

You will have four carpeted and robed bedrooms (or 3 and a study), the master complete with ensuite and walk-in robe.

Have a comfortable life here with ducted gas heating and evaporative cooling and a home that ticks all the boxes. Contact our Broadford office on 5784 3555 to arrange an inspection.
