

66 SUTHERLAND STREET KILMORE, VIC

VENDOR SAYS SELL!!!!!!!

Set on just over a quarter of an acre this fantastic family home is in an ideal location, close to schools and shops with room to move. Sit in the morning sun and observe the character of the hardwood flooring and the leadlight windows. The two living areas give you plenty of space and the fifth bedroom would make a great rumpus room. The ample space continues outside to the large carport and sweeping driveway. Homes like this are rare so close to the town centre so get in quick for an inspection.
