"ALADDIN'S CAVE" - INSPECT NOW!

This is amazing - there's chooks, veggies, fruit, frogs, shedding and a soccer field! This well maintained and immaculately presented lifestyle property offers both the charm of a hobby farm and all the comforts and conveniences a modern family needs. Boasting a huge block of approx. 1.66 acres there's room for everything in large proportions. 4 bedrooms provide ample storage with built-ins in 3 and walk-in-robe and ensuite to the main. There's even built-in bunks and desks for 2 of the kids rooms. Enjoy the huge benches and ample cupboards in the hostess kitchen including stainless steel appliances and a Miele dishwasher to take care of the hard stuff. Clever designs for seamless indoor/outdoor living makes day-to-day life really comfortable with north-facing family and rumpus opening to fully enclosed pergola. At the end of the day, relax in the huge heated swim spa or kick a ball around the sports field that is flood lit and complete with underground irrigation. The 4 bay shed will have any tradie or DIY-er salivating - it has extra high clearance for vans, big work benches and ample power outlets to get the job done. Perfect for a family looking for a self-sustainable life-style, the hard work is already done here - huge elevated veggie gardens, extensive orchard, grapes, strawberries and a fantastic chook run are just some
