Sublime

This is a sensational opportunity to purchase a stunning home on acreage close to both the beautiful township of Broadford and to the Hume Freeway.

Broadford is only an easy hour or so trip to Melbourne by car or train and it has all the shops, schools, sports and district community facilities you and your family need to enjoy your life in the country.

5 Blackwood Court is comprised of about 13.5 acres located in an exclusive rural court with wonderful views to the Mt Disappointment ranges.

The very attractive residence takes full advantage of the aspect with large laminated windows and stone construction.

A study is located sensibly towards the entrance for the home business.

Outside you will be impressed with the endless opportunities to enjoy this country lifestyle from the many established fruit trees including mandarins, quince, olives, apples, plum
