Simply Sweet

This sweet brick veneer home sits on the high side of a service lane to Anzac Avenue and will be a beautiful investment either to add to your rental portfolio or as your owner-occupied home.

The home is low maintenance and comfortable with a separate lounge boasting new carpet, gas wall furnace heating and ceiling fan, a galley style kitchen and meals/dining area, bathroom with separate bath and shower and 3 spacious bedrooms.

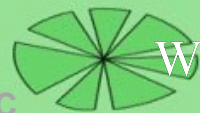

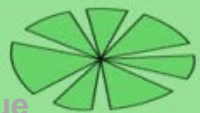

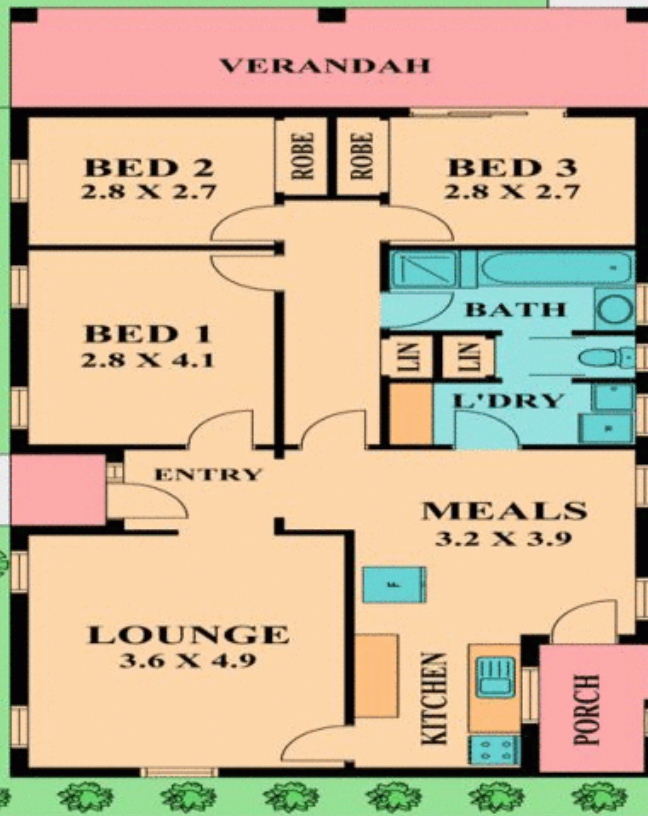

2 of the bedrooms have built-in robes and 1 has sliding door access to a private undercover outdoor area where you can relax and view your recently landscaped garden.

A single carport and good driveway access to the side of the home are further sensible features.

All in all, this is simply a great little property at a realistic price.
