Easy Living

Located in a quiet street within an easy walk to Broadford Secondary College and Railway Station, this hardiplank home is very neat, tidy and offers easy living.

For those looking either for a low maintenance investment property or home, you will be pleasantly surprised.

Three bedrooms have built-in robes (the master has walk-in), the sunny kitchen is adjacent to the open-plan dining and lounge.

Set on a large block with a securely fenced back yard with garden shedding, it would be great for the kids, pets or gardens.

The property also boasts an extra large double-plus carport, which has drive through access to the back yard.
