MORTGAGEE EXERCISING POWER OF SALE

Located in an area of Heathcote known as Mount Camel is this property of approximately 38 acres.

The driveway sweeps gently upwards to all this magnificent property offers.

Nestled appropriately to take in the most gorgeous views is a stone dwelling the feature of which is its octagon shaping.

You will be drawn to walk the covered decking to the rear of the home where spectacular views can be admired for kilometres and off into the distance. The nearly fully completed stone dwelling consists of 3 bedrooms, 2 living areas, kitchen and some unusual amenities.

All rooms highlight the unusual shape of the home as you will be hard pressed to find a right angle, and most rooms boast feature stone walls. Just lovely!

The centre room is naturally lit with dormer windows set octagonally around a high vaulted ceiling. Alternative power is needed to live this alternative lifestyle and give this dwe
