NOW IS NOT THE TIME TO SIT ON YOUR HANDS . . .

Now is not the time to sit on your hands, as this property is a smart buy. In the beautiful Mannagum Estate and in a quiet court location, you will come by this wonderful 2 storey home.

It commands your attention with its grand facade of brick and render.

A double garage under roof line has a single roller door to the rear for easy access, even though there is ample room on the opposite side of the home for access or storage for the caravan or boat for example. Up the staircase adorned by wrought iron balusters you will find 3 large bedrooms plus the master suite with ensuite and balcony.
