SURPRISE PACKAGE

This property is truly a surprise package and the saying "don't judge a book by its cover" says it all. The facade of this home does not prepare you for what you will find inside as turning every corner of this unusual floor plan will lead to another pleasant surprise.

Consisting of 4 bedrooms plus a study your family's bedding requirements are ticked on the list.

The kitchen and bathroom have been recently renovated, another tick.

The laundry is every woman's dream laundry, another tick. A large living area to the rear with split system air conditioning, another tick.

Fantastic outdoor entertaining options on a block of approx 1000m2 with some functional shedding, yet another tick.
