SUBLIME

This is a sensational opportunity to purchase a stunning home on 13.5 acres (approx) close to both the beautiful township of Broadford and to the Hume Freeway.

Broadford is only an easy hour or so trip to Melbourne by car or train and it has all the shops, schools, sports and district community facilities you and your family need to enjoy your life in the country.

5 Blackwood Court is located in an exclusive rural court with wonderful views to the Mt Disappointment ranges.

The home takes full advantage of the aspect with large laminated windows and stone construction.

A study is located sensibly towards the entrance for the home business.

Wood heating and 2 reverse cycle split systems keep the home cosy and cool as required by the seasons.

Outside you will be impressed with the endless opportunities to enjoy this country lifestyle
