VENDOR SAYS SELL !!

WOW!! All this on 20 ACRES and the best bit VENDOR SAYS SELL !! This beautiful garden setting is years of great love and is well established. Very private and tranquil on a very usable 20 ACRES sits this much loved brick home built in the 1960's with 4 bedrooms - all with built in robes. 1 bathroom, L shaped lounge - dining, kitchen - meals with walk in pantry. Fully enclosed sunroom with a storage room and office.

Your creature comforts are taken care of with ceiling fans, aircons, wood heating and external awnings. Ample water tanks, large dam, 4 paddocks, loose box and no country property would be complete without a chook run, dog enclosure, fruit and olive trees.
