

3/140 DUDLEY STREET WALLAN, VIC

## MY PLACE . . .

. . .  
is just gorgeous. It is set as the most private of the three units in this quiet street location. The two large bedrooms are located of a huge living areas next to a well appointed hostess kitchen. Largest of the backyards affords the family to own a pet with ample area to run. Single garage with a car space at the front gives this townhouse a big thumbs up as a great buy.
