What a fabulous opportunity to have a home on a big block close to the local shop, railway station, primary school, public pool and hotel.

You can move in and enjoy the ambience and relaxed lifestyle without having to do a thing.

The tasteful decor and excellent maintenance are proof of the owner's respect for the property and you can now reap the rewards.

Entrance porch, three comfortable bedrooms, lounge with cosy wood heating, sparkling kitchen with meals area, attractive bathroom and spacious laundry with rear porch - all add up to a truly pleasant home to enjoy.

Outside, the gardens are established and will provide you with the option to indulge your gardening talents or just sit back in the big shady pergola and relax.

Top it all off with the 30' x 25' (approx). colourbond workshed or garage with concrete floor, power and plumbing, and this home could mean the end of the search for the right prop
