Pretty as a picture, this attractive property will be a nice surprise for the First Home Buyer and astute Investor looking to add to their Investment Portfolio.

The location is a bonus, being within easy walking distance to the Broadford railway station (about 50 mins to Melbourne), the High Street shops of Broadford, the Secondary College, Primary School and sporting facilities.

The home has 3 good sized bedrooms with a walk-in robe and ensuite (with bath!) to the master bedroom.

A rear deck, garden shedding and large single carport add extra appeal to this very neat and tidy property.
