

19 CHISHOLM CRESCENT SEYMOUR, VIC

## 19 Chisholm Crescent, Seymour

If you're looking for a new home for a New Year, this beauty should definitely be on your list to inspect.

It has just been relocated to the block so you have the benefit of new roof, new wiring, new concrete stumps, new kitchen, new 2nd bathroom, new carpet, fresh paint, new front and rear decks, new carport.

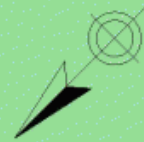

Although much of the property is new, the house still retains the character and charm of a traditional weatherboard, complete with loads of good taste and quality workmanship.

Sitting prettily in an area that has great views to the hills beyond, you can easily walk to the schools and shops or catch the local bus at the front of next door.

Please arrange an inspection with the agent Julia Jones on 0408 997 456.
