EXECUTIVE HOME ON 32 ACRES - AUCTION: SATURDAY, MARCH 24, AT 1PM

Stunning executive home built on a larger than life scale representing the pinnacle of what's available in our market place today. This fabulous country property is perfect for the large family who are seeking a majestic property that will provide opulent living, entertaining, and plenty of land to pursue their various lifestyle interests. The spacious home features 9 foot ceilings, down lights throughout, LPG gas ducted heating, additional electric heating to bedrooms and split system cooling. The East wing features 3 generous sized bedrooms all with ample robe space and ceiling fans, rumpus room, formal dining and a huge pool room. Northerly views of the property and beautiful Mount Piper can be admired from the gourmet kitchen with large walk in pantry, African Black granite island bench and polished hardwood floorboards. An open plan family / dining with solid fuel heating flows out to the large alfresco with built in BBQ and adjoining in ground solar heated pool, in ground trampoline and cubby house, fantastic. The West wing has 3 more bedrooms (that's 6 in total) including the king sized master bedroom featuring built in robes, walk in robe, dressing room, extra large ensuite with granite topped double vanity and double shower.
