MAGICAL McCARTHY!

Pull up at the front and be greeted by manicured lawns and gardens. Drive through and park the car and enter through the front door and be greeted by new carpets throughout, freshly painted and well loved home. Master bedroom has wall to wall built in cupboards, lounge is spacious and can accommodate a home office which overlooks the entertainment area.

Kitchen has ample bench space and the family room is large and sunlit to enjoy an afternoon cuppa and take in the view.

Minor bedrooms 2 and 3 both have built in robes, main bathroom is centrally positioned.

Outside is a workshop that will leave a man drooling as it has concrete floors, fully powered and separated work areas.
