## POSITION, POTENTIAL AND PANORAMA

Here is a lovely neat home just beckoning you to come and help it smile again.

The vendors have completed some maintenance and the home is somewhat happy, however someone with some foresight will see the potential for this little beauty to shine once again.

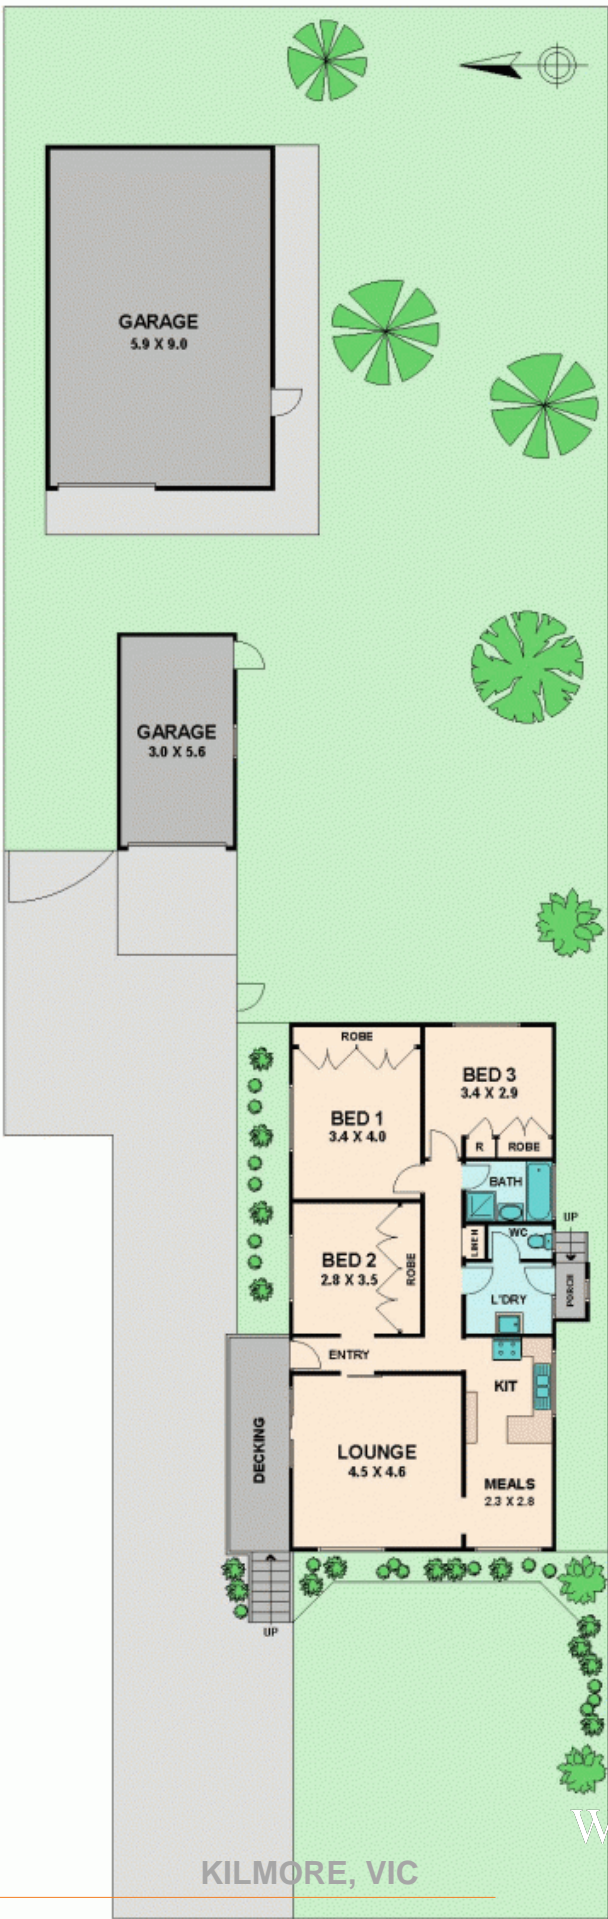

Placed very well within the township of Kilmore on a substantial block of well over 700m<sup>2</sup> and boasting two great sheds to the rear, you will find this cute 3 bedroom home.

Floor boards under foot will be gorgeous once sanded and polished and will definitely be a huge feature to the home.

Call Suzanne on 0438 624 479 for an inspection of this potential sweet heart!
