QUAINT AND QUIRKY

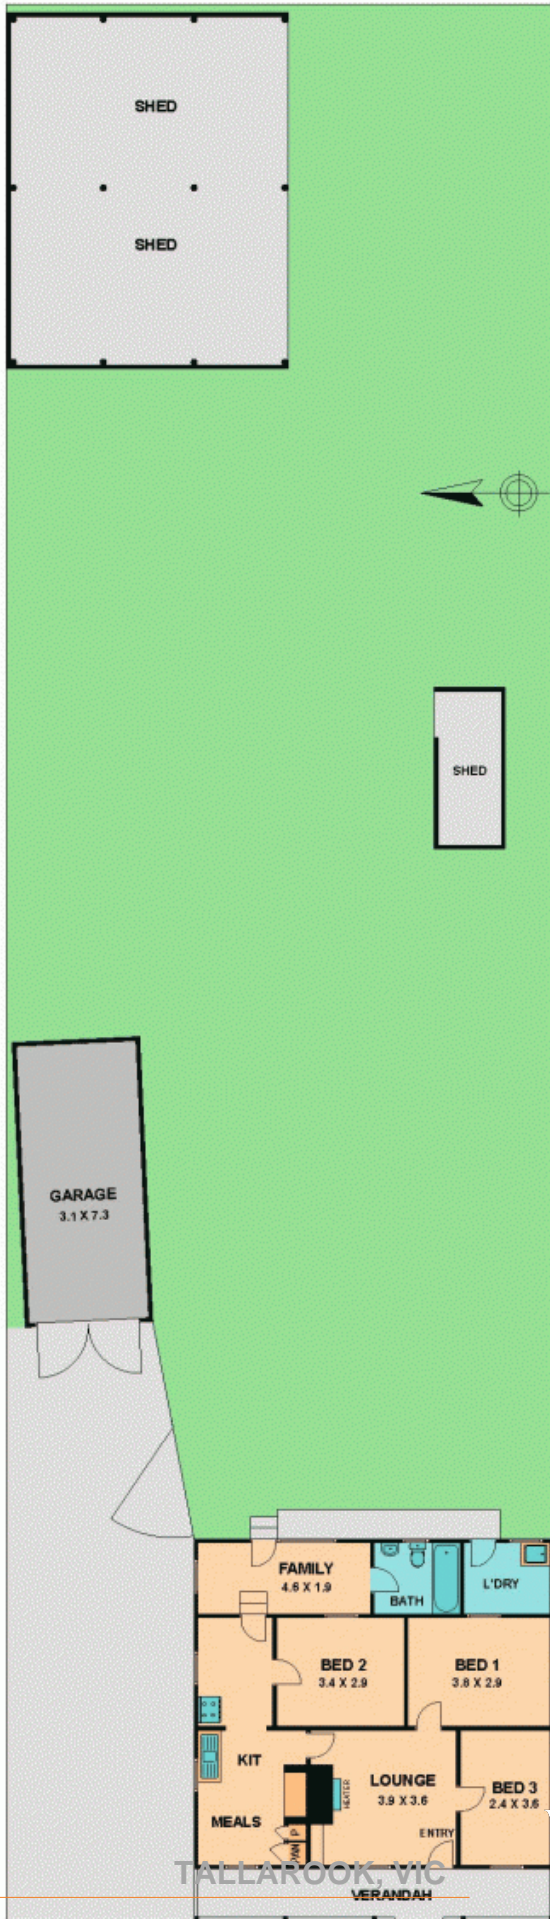

No. 11 Main Road Tallarook offers a rare chance to secure a well-priced property in a charming country town only 1 1/4 hours from Melbourne via the Hume Freeway or V-Line train service.

Built at least 80 years ago, the cottage is quaint and basic but its character and quiriness are endearing qualities.

Next door, No. 13 is also for sale, both properties having been in the one family for many years. Located in the main street of delightful Tallarook, both properties are across the road from the historic Country Pub and the General Store and Post Office and within an easy stroll to the Railway Station, Primary School and the outdoor swimming pool.
