Excellent Investment

If you're looking for a new address and a brilliant investment for the future, this beauty should definitely be on your list to inspect.

Located on big block of approximately 900m² the home has been extensively renovated with new floorcoverings, new kitchen with stainless steel appliances, new bathroom fixtures and repainted internally.

The home has 3 good sized bedrooms with built-in robes, a spacious lounge with reverse cycle heating and cooling, appealing kitchen and meals area overlooking the backyard.

A rear pergola, securely fenced rear yard and stacks of room for gardens or your own shedding add to the appeal.

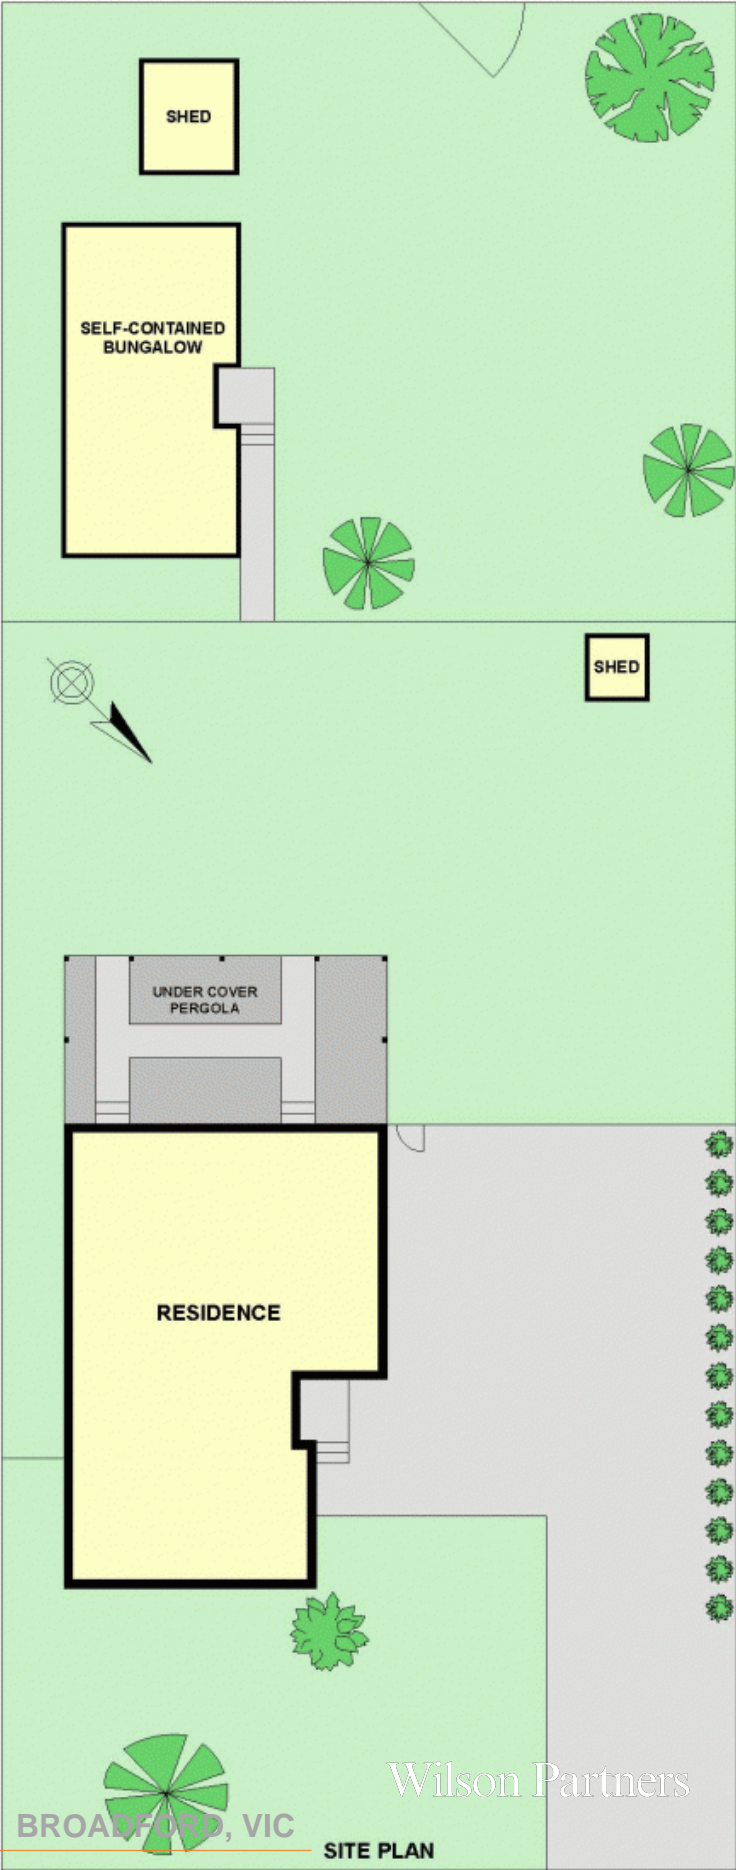

An exceptional opportunity for future gain is the 1 bedroom self-contained bungalow with separate laneway access.

This property would be excellent as your home with extra room for in-laws or guests or as a rental property giving you a massive return or with the potential to subdivide (STCA). Contact Denisse Grech 0419 154 730 or Susie Marks 0438 843 863 to arrange your personal ins
