ENTERTAIN AND INSPECT!

First impressions here will already have you smiling.

Three car garage, landscaped gardens and beautiful decked portico entice you to see what lies beyond!

Tiled entry, study with built in cupboards, garage access into hallway ensures that you and the children are safe from the elements.

Designed to entertain and impress, the home's open plan features a stunning kitchen with quality stainless steel appliances, family/meals area flowing out to the fabulous alfresco (to die for!), and all fully fenced to keep the children and animals safe and secure.

The master bedroom has double shower, large walk in robe with plenty of shelving and natural light filters through to make this a very welcoming room.
