NEAT AND TIDY - ALL OFFERS CONSIDERED

Wow, you must come and see this property located in a nice quiet area, in close proximity to shops, schools and amenities. Comprising three good size bedrooms, two living areas and a lovely paved alfresco area directly off the meals, this home has a lot to offer the astute purchaser. The large garden has been lovingly designed around a bird aviary, creating a fantastic children's playground or a canvas for the avid gardener. Come and inspect as soon as you can, it will be well worth it. Gail Kendrick 0417 012 041, 5783 2233.
