## HOW'S THIS!

What a fantastic way to get into the market. This home has been fully renovated with a new kitchen, laundry and bathroom. 3 good sized bedrooms, all with BIR's. Beautifully polished hardwood floors, ducted heating and 2 split systems. Freshly painted inside and out. New guttering. New colorbond fencing and shedding. Relax and entertain in the paved undercover alfresco area while watching the kids play in the well secured and well zoned backyard on a large corner block. Plenty of room for cars, boat / caravan etc.

Close to schools, shops and parks. It is all here waiting for you.
