HA! HA! HA! HA!

We can't stop laughing? Grouse house in the best street, we dream of getting a prime listing in a prime location. Views of Great Dividing Range on a huge allotment, one of the few left we call them 1 percenters, because there are less than 1% of these blocks at this size left in Wallan. Stacked with 3 big bedrooms plus study, massive family, hostess kitchen, separate living, double garage and alfresco. Get in on this one and you'll be laughing too.

Call Alan Wilson 0417 577 988 or Brett McDonald 0409 586 136 to arrange your personal inspection.
