## THIS IS HOT, HOT, HOT!

Wow, this hot property is ready to go. Fantastic third of an acre approx. and currently tenanted, this is a rare find, and getting rarer in this crazy market. Would you like to develop (STCA) or simply enjoy the huge block, the choice is yours. This is such a wonderful opportunity, a good size home with loads of storage and the most amazing views. We'd love to tell you more about this incredible property so call us on 5783 2233 or 0417 012 041.

( Inspection is by appointment )
