PRIVACY ON 1.3 ACRES!

Occupying approximately 1.3 acres, this single level family home enjoys a coveted address in a very private position. Filled with tasteful features such as floating timber floors, beautiful Blackwood kitchen, quality carpets, ducted heating and cooling plus wood fire for a cozy ambience. Rooms are extremely spacious with two big living areas, 3 queen bedrooms and a large study or fourth bedroom. Foodies will love the kitchen with enormous storage and work space, gas and elec cooking plus an exquisite combustion cooker.
