## A RARE AND SPECIAL GEM

We are absolutely ecstatic to present this very unique property to the market. Tastefully renovated, stunning decor and sitting very pretty on approximately 1,000 m2, this is truly lovely. Four large bedrooms, lovely powder room and two living areas, this ideal family home has with room to move and is the complete package for all the family and you guessed it, with a massive shed. Walking distance to all amenities, the location speaks for itself, we know you'll love it as much as we do. Call Gail Kendrick today on 0417 012 041 or 5781 1999.
