"LOVE THE LIFESTYLE"

At first sight you will be captivated by this tranquil property nestled in the foothills of the Strath Creek Ranges. A pretty 2.5 acres approximately, lovely mature trees, dam, seasonal creek and a fantastic three bedroom home, but these are huge bedrooms, I mean really huge. Actually the house itself is big, excellent for a family comprising large living area and great kitchen. What a fantastic place for some 'R & R', have a couple of horses, whatever you want to do, this is your opportunity to enjoy the country life. Grab it now with both hands, you'll be so glad you did, you know once it's sold, if you didn't but it, you've missed out. Call us today on 5781 1999, 0417 012 041, 0438 843 863.
