

TOO EARLY FOR PHOTO

HEATHCOTE JUNCTION, VIC

"Your Slice Of Country Life"

What a great location, this large residential block of approximately 2000m² is walking distance to the Heathcote Junction railway station (direct line to Melbourne), and under an hours drive to Melbourne via the freeway. Blocks such as these are becoming rarer by the week as people do the big "Tree Change". Don't miss out, call today for more information!
