

720 Spur Road WANDONG, VIC

Forest Edge

A unique opportunity exists to secure a tranquil and secluded small acreage close to State Forest .

Located approximately 9 kilometres from the Hume Freeway and on the edge of Mt Disappointment State Forest, the property is comprised of 1.45 hectares of regrowing native bush and a concrete slab at the site of a previous dwelling.

The house site overlooks a large dam and would be a very appealing spot for a new home (STCA).
