### DON'T MISS THE PARADE

Here is your chance to purchase the old fashioned quarter acre block on the outskirts of town.

You can build your dream home (STCA) with a rural outlook yet be within an easy 10 minute walk to the shops and schools. The land has town water, phone, sewerage and power available and is on a sealed road.

Call Julia Jones on 0408 997 456 for further information.
