

7 Emilia Court HIDDEN VALLEY, VIC

ELEVATION ON EMILIA

A once in a million opportunity exists with this beautiful allotment in the esteemed Hidden Valley Estate. With a fantastic land size of approximately 2.5 acres, excavation for the new owner and location at the top of the Hidden Valley Estate. But don't let that fool you, this one is not steep! The views are amazing however, over the Estate and even into Melbourne. Build your own country retreat, the kind we all day-dream of. You will love this amazing property and the opportunity to live on top of the world.
