Beachside

Can't decide between beach and country?

Why not have both and at much less cost than beach only.

Here you can have a beautiful 15 acre block with glorious country views AND your own sandy beach on Sugarloaf Creek.

The land is located on a corner with dual sealed road access only about 10 minutes from Tallarook, the Hume Freeway and Broadford.

Consisting of 1 big paddock with a flat front section gently sloping to the creek, it has a rock wall fence on one boundary and it will provide a wonderful site for your country home (Subject to Council Approval).

Mains power and phone are available, solar power, clean crisp rainwater and creek water and LPG would be your choice.
