A LITTLE BIT OF SERENITY

Awesome three bedroom home set on a huge allotment with views that are priceless!! This home has the country cottage appeal that many are looking for. Three great sized bedrooms, light bathroom, solid fuel heating, split system and verandahs at the rear that take in those glorious sunsets after a hard day at work. Double carport and a lifestyle opportunity that Clonbinane offers. Still commutable to Melbourne CBD via train, close to the Hume Freeway and schools.
