AN OLDIE BUT A GOODIE!!

Three bedroom home set in fantastic location on large block, will suit first home buyer and investor alike. The old girl needs a bit of a facelift and a bit of a tidy up, but with a little bit of TLC and a bit of elbow grease, this home would be a great investment. Close to the Golf Course, schools and shops, main street and doctors, this home consists of large lounge, three bedrooms with built in robes, and all on approx., 900m2!!!
