"IS THIS UTOPIA?"

You may think so when you see it!

On approximately two acres of beautiful park like gardens, this delightful property is maintained and manicured with much love and devotion. This lovely home comprises three large bedrooms, two with built in robes and the huge master bedroom with walk in robe and ensuite. The main bathroom is very functional and also has a spa bath.

An attractive brick feature wall, in the lounge room, with massive fan forced combustion heater keeps the whole house cosy warm and the split system keeps you cool as a cucumber!

There is so much more to this property than can be mentioned here???so call Arch Montgomery and come and have a look for yourself???0435 355 200.
