WANDONG HOUSE FOR SALE

?WONDERFUL WANDONG?

Here is a rare opportunity to immerse yourself in the enchanting village atmosphere of wonderful Wandong.

Set on a huge block of approximately 1000sqm, this older style, well maintained four bedroom, two bathroom home will provide plenty of space both indoors and outdoors.

The spacious kitchen is light and bright and provides plenty of cupboards and overheads.

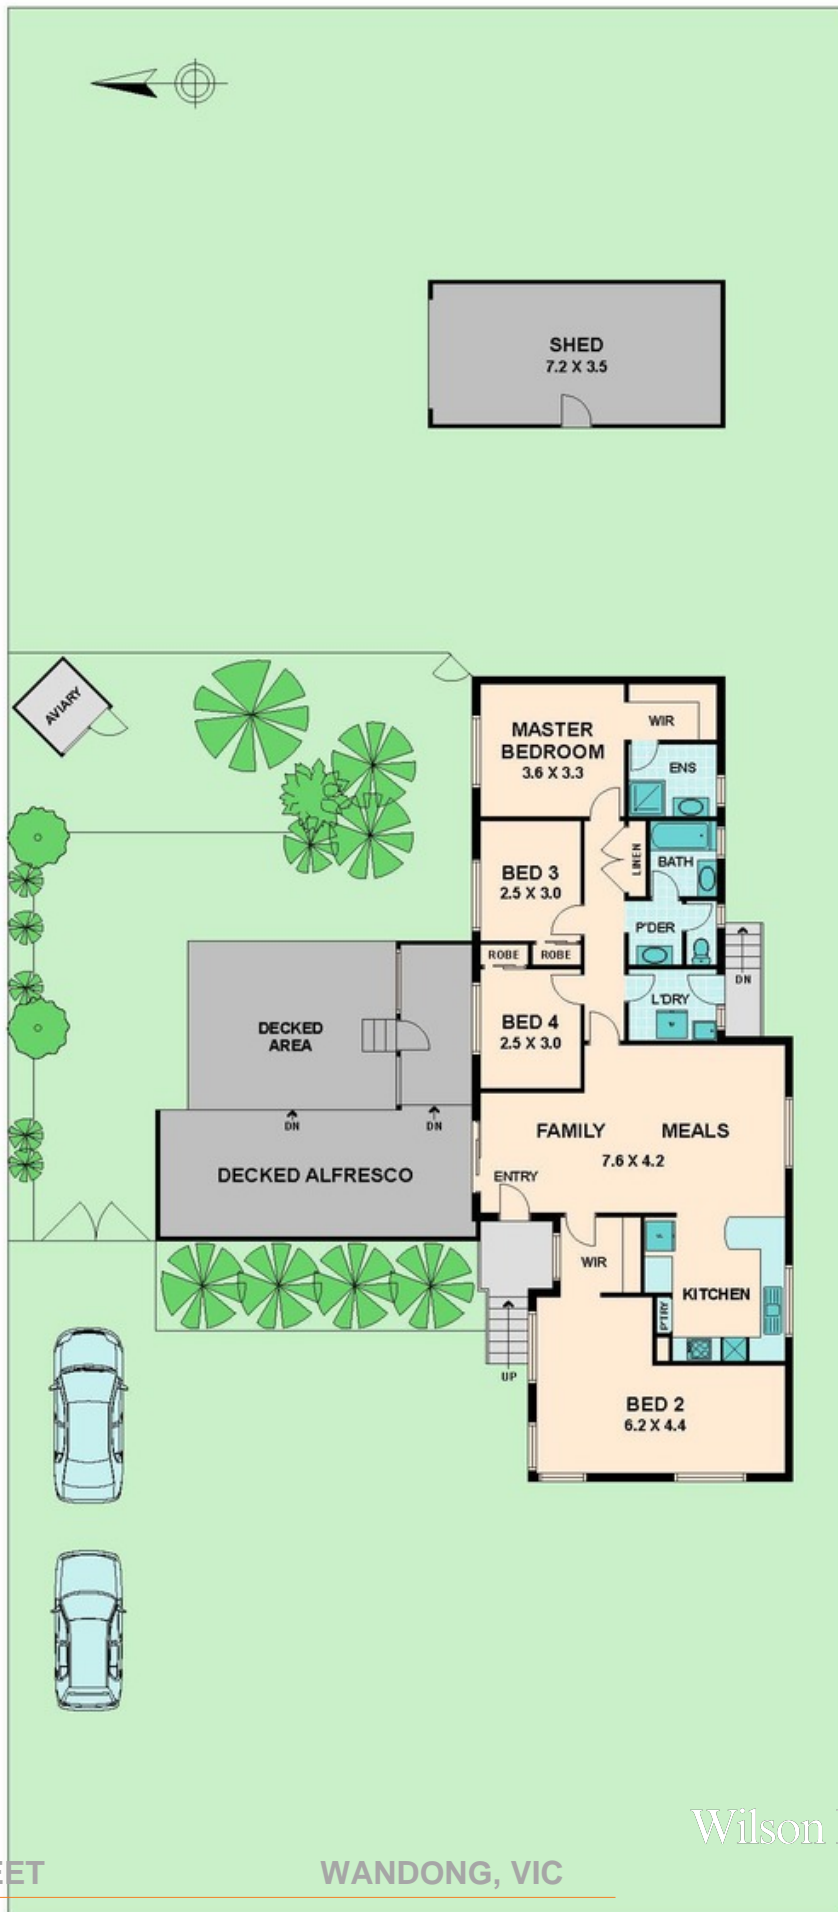

Adjoining the kitchen, an open plan family and meals area completes the central hub which then leads to a rustic covered outdoor area full of character and just waiting for your next family barbeque.

With a little attention or upgrading, this could be your palace on the now rare old Aussie standard quarter acre block.

Grab it while you can!
