SEYMOUR HOUSE FOR SALE

A touch of Kew?..IN SEYMOUR!

Like nothing else in the area. This stunning, completely renovated beauty, is set out to play to the emotions of those wanting a bit of inner city apartment style luxury with the solid backbones of the original 1954 built, brick tuck shop for Seymour Technical School.

Outside is a large lockable Colourbond garage with side-street access and a beautifully landscaped front yard with lockable front privacy fence. The property is to be sold with council endorsed plans for a large decked undercover entertaining area at rear of the property immediately outside the rumpus, able to be started immediately.
